Re: Chapter 140
Utility Service Area and Infrastructure Maps 04-17

Dear Mr. Keschl:

This is to request an extension in the Deadline for submission of Infrastructure Maps from April 1, 2004, as required under Chapter 140 §3(F)(1), to April 30, 2004. We have scanned our distribution maps, and have begun the process of working with our engineers to convert the resulting TIF images into the appropriate format and make necessary adjustments. We expect to have this process completed soon, but we believe that the requested extension is necessary for us to be able to have sufficient time to review the results. Thank you for your assistance in this matter.

Very truly yours,

BIDDEFORD AND SACO WATER COMPANY

C.S. Mansfield, Jr.
President
